

VACANCY

Introduction

The Kilombero Valley Teak Company Ltd. (KVTC) is a forestry company located in the Kilombero and Ulanga Districts of the Morogoro Region. The Company manages teak plantations and natural woodlands and processes timber in a factory located at Mavimba in the Ulanga District.

KVTC Currently has one (1) vacancy for Young Foresters with between 1-3 years of experience:

1. Research Assistant Manager (Forester) – One post

KVTC maintains an extensive research program and is looking for a young and bright forester that can undertake practical experiments and monitoring of research plots. Maintenance of company information and data analysis.

Trials will cover fertilizer trials, soil testing, plus tree selection, growth monitoring, experimental thinning and pruning regimes and many other trials.

The Research Forester will spend a large amount of his/her time in the field and is responsible for data collection and monitoring of trial plots. This is not a desk or office function although some degree of office work will be required.

Requirements

- Applicants must have a tertiary qualification in the field of forestry or agriculture and between 1-3 years working experience.
- Experience working in and with rural communities will be an advantage
- Experience working with teak will be an advantage
- Experience with forest certification systems such as FSC or TLTV will be an advantage
- The applicant must have a passion for forestry and the environment
- The applicant must have a driving license and be proficient in driving a motorcycle
- The applicant must be fluent in English, reading and writing.
- For the Research Forester an understanding of statistics and the proven ability to design trials, compile and analyse data and present in report format for management is a necessity.
- Must have the ability to learn quick and work with modern equipment for example GPS and calliper.
- The applicant must have basic computer literacy (MS Office).

This position entails extensive field work in remote areas with abundant wildlife. Only applicants willing to work under the demanding conditions normal to this type of environment should apply.

If you meet the requirements of the position above, please submit your application letter, CV and copies certificates and qualifications to hr@kvtc-tz.com
