UNIVERSITY OF AGRICULTURE, MOROGORO, TANZANIA**

MAIN THEME:

***ENABLING ENVIRONMENT FOR
AGRICULTURE TRANSFORMATION***

**CALL FOR FULL
PAPER/MANUSCRIPT**

**Notice to All Presenters at the 3rd SUA
Scientific Conference**

We thank all who participated and presented at the 3rd SUA Scientific conference which was held on 23rd - 24th May 2023 at the Edward Moringe Campus, Sokoine University of Agriculture, Morogoro. Indeed, you made the event very colourful and shared what you have been working on. Thank you so much.

Going forward, we are now in the process of preparing a special issue of the Conference proceedings which will be hosted by TAJAS.

TAJAS accepts papers prepared according to their guidelines and format. Please find attached the Author's instructions to guide you in preparing and formatting your paper.

Papers presented at the Conference are now invited to be included in the 3rd SUA Scientific Conference proceedings. Therefore, I request all **who presented at the Conference and wish their papers to be published in the 3rd SUA Scientific Conference proceedings** to submit full papers in the TAJAS format.

The following are important deadline towards production of the proceedings:

- i. Submission of full papers by **20th June 2023**
- ii. Review the papers and return feedback to authors by **15th July 2023**
- iii. Authors to incorporate the comments and return clean papers to DPRTC by **31st July 2023**
- iv. Compile the proceedings and get it ready for submission to TAJAS by **31st August 2023**
- v. Publish a book of proceedings by **November 2023**.

Please observe the deadline and act promptly.

Issued by DPRTC
